- Upholstery \$150.00 per hour
- Fabrication \$150.00 per hour

BILLING & PAYMENT

- Billing is done on a weekly basis for all parts, labor and services rendered for projects that extend beyond 30 days, and due within 10 days
- Invoices not paid by the billing date, the 1st, of the following month will result in a work stoppage until paid.
- Invoices may be paid in US fund by personal check, certified funds, wire transfers, or cash, Final payment must clear before car is released

ESTIMATES OF RESTORATION

- It is impossible to estimate the exact cost of a restoration at the beginning of a job. A general figure, a high and low, can be given based on previous jobs that were similar. Restorations are performed as economically as possible without compromising the finished quality.

INSURANCE

- Each customer provides his or her own insurance to cover the market value of the car. Proof of that needs to be supplied at the time a car is delivered.
